

# Bicycle Safety: Tips to Stay Safe While Riding

## Bicycle Safety Equipment

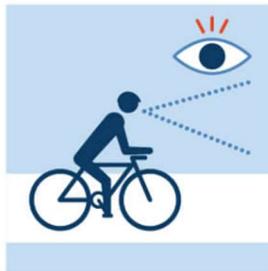

Use the following safety equipment on your bicycle and yourself to stay safe while riding your bike.

- Bicycle helmet
- High visibility clothing
- White front reflector or light
- Red rear reflector or light
- Side reflectors on the wheels and pedals (white or yellow)

## Bicycle Safety Ride responsibly and carefully.

Follow rules  
and road signs

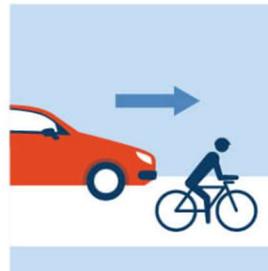

Be watchful:  
look ahead

Avoid distractions  
like headphones

Be alert and pay  
attention to vehicles

Follow traffic  
direction

Identify  
hazards
